Math Scavenger Hunt

Field Trips Without Permission Slips

Seoul, Korea Grades 1st - 3rd

We are traveling to one of the largest cities in the world by population. Our next city is called Seoul, South Korea. Use the clues that Henry has left to try to solve these clues.

1. South Korea is a long ride on a plane from Atlanta. If you travel to Seoul, Korea, and back to Atlanta, how many hours would past?

2. There are so many people in the city of Seoul. It is much bigger than New York City and it is the second-largest in the world. Round Seoul's population to the nearest hundred.

3. The government is divided into administrative divisions called gu and these units determine how neighborhoods are governed. If the administrative divisions were reduced by 12, how many divisions would remain?

4. One of the most exciting places to visit is called the North Seoul Tower which is the second-highest point in the city. Some Koreans believe that the tower is 10 meters higher if you look at it from a different side. What would be the new height of the North Seoul Tower if you add the 10 meters?

5. The food in South Korea is very different from food eaten in the United States. Kimchi is also eaten at nearly every meal. The food does not seem to make the Koreans overweight. Find the difference between the overweight South Koreans vs percent of overweight people in the United States.

6. In America, some people believe that 7 is an unlucky number. Koreans have their unlucky number. Add the Korean unlucky number to the American unlucky number.

7. While in South Korea, you have to visit the Leeum Samsung Museum of Art which has a lot of traditional and contemporary art. If the number of pieces of traditional Korean Art designated as national treasures by the Korean government where doubled, how many pieces would be designated?

8. Golf is one of the most successful sports in South Korea. Thirty-eight of the top 100 female golfers in the world are from this area. South Koreans also dominate the top 25 Women Golfers in the world. How many of the top 25 golfers are not South Korean?
